CONFERENCE EVANGELISTS

Margaret Wells, 409 East Cass Street, Bertha DeMille, 424 West Huron Street,
 Albion, Michigan Ann Arbor, Michigan
 Clara Spencer Chicago, Illinois

Whereas, we desire that all groups have opportunity to attend conference,
 BE IT RESOLVED:

1. That preachers, their wives and children under fourteen years, delegates and their wives or husbands, and any having official relation with the conference be housed in dormitory rooms to be furnished by the school.

2. That all young people fourteen years and over who will register for Y. P. M. S. activities be provided special entertainment in dormitory barracks at nominal rates.

3. That we approve a plan whereby visitors may rent rooms in the village under the direction of the following committee: G. W. McDonald, L. M. Lowell, L. D. Voorheis, Dale Cryderman and E. A. Cutler, said committee to have power to fix rates and be authorized to take care of any unforeseen problems connected with entertaining the conference.

The trustees of the conference were instructed to look after the bonding of the conference treasurer, and to pay for the same out of the miscellaneous funds.

The conference by majority vote memorialized the coming General Conference that no change be made in the Discipline relative to musical instruments being used in our churches.

The following action was taken by the conference: We, the Michigan Annual Conference, in session request in view of the evidently varied bases of reporting pastors' support that the coming General Conference outline a uniform system of accounting the same.

MISCELLANEOUS

The seventy-eighth session of the Michigan Annual Conference was held at Spring Arbor, making the twenty-ninth time, and the last fourteen years consecutively.

Bishop C. V. Fairbairn was with us for the first time since his election as bishop. His addresses to the conference and preaching on Wednesday night and Sunday morning were greatly enjoyed by all lovers of Bible truth, especially on the subject of holiness attainable, and the life that should follow such profession of perfect love. His evangelistic and aggressive spirit was very much appreciated by the conference. Our prayer to God is that he may be spared many years to go as a flame of fire over our conferences in the spread of Bible holiness.

The conference was favored in having Pearl Reid, returned missionary from China, with us for the missionary meeting. Her address was much appreciated, and in a very few minutes some over \$600.00 was given in cash and subscriptions for missions.

Our school was not forgotten in the program. In a very short time Sunday morning before the sermon by our bishop, as Brothers Lowell and DeCan presented the need of a living endowment, \$950.00 in cash and subscriptions was realized. One hundred dollars was also given to furnish hymnals for the chapel exercises of the school.

Mrs. Minnie Ormston, our resident bishop's wife, Violet Morell, Dale Cryderman, with their helpers, and our pastor, G. W. McDonald, were very diligent in their labors in caring for the feeding and lodging of the conference in a splendid way in these days when help is very hard to be secured for any kind of work.

The president held an ordination service Sunday afternoon in the church, at which time E. J. Moran, R. C. Morell and L. D. Gordon were ordained elders. This service was very impressive in that the presence of God in real melting rested on the candidates and others. Richard E. DeMille and Everett E. Shelhamer were ordained deacons Saturday afternoon.

A STUDY

In some ways we can report some gains this year. In a financial way there is quite a gain and in membership there is a small gain. There are five more members over sixteen years of age and three more under sixteen years of age, a gain of a trifle over one-half of one per cent, while there is a loss of 19 probationers, or about eight and one-half per cent. Our probationers have decreased in the last few years, while there is a small gain in full membership. Besides three ministers, 32 members have died, 62 transferred, an increase of fifty per cent over last year, and but 34 have otherwise been removed. It means that if all who transferred did so to another society in the conference that we have received in full connection 74 during the year, compared with 76 last year and 118 the year before last.

While Zanesville District has forty per cent of the membership of the conference, it had fifty-two per cent of the removals—fifty-three per cent of the deaths, fifty-one and one-half per cent of the transfers, and fifty per cent of the otherwise removals. Cleveland District shows a net gain of four members, and Toledo and Canton Districts a net gain of 12 members, and the Zanesville District shows a net loss of eight members. We feel that this is due in part to the lack of work in this war time on the Southern District.

The circuits this year spent \$2,939.00 for evangelists, which is about \$231 less than last year. Twenty circuits showed a gain of 55 members and fifteen circuits a loss of 47 members, and eight neither a gain nor a loss. Our great leaks continue to be that probationers fail to become members, and otherwise removals. What can be done about it? It has been truly said, "The preacher is the key man."

It looks as if we have gained three Sunday schools and lost 107 in total enrollment. Our total expenses for the year are \$1,010.44 greater than last year, or \$6,208.50, which is about 2½ cents per scholar per Sunday.

The W. M. S. has had a banner year—a gain of 16 members and a total of \$5,494.55 in receipts, a gain of \$1,328.10, while the Y. P. M. S. has a gain of \$566.39. There has been raised for the cause of missions the sum of \$8,454.52, a gain of \$2,770.81, which amount equals \$4.92 for each member, including probationers and ministers, an increase of \$1.69. It was fifty years ago that the W. M. S. was organized in Ohio, which was two years before the general organization.

The total amount received for missions, Sunday schools, preachers, elders, incidentals and conference claims is \$77,524.37, an amount equal to about \$45.14 for each member including preachers and probationers, a gain of about \$3.13. Now if we consider the gain of eight members during the year, it would appear that it has cost \$9,690.54 to gain one member. That is not the way to consider what has been accomplished with the money spent. Seed has been sown, saints have been sustained, weak have been made strong, God has gathered from our numbers many who shall live with the redeemed through the ages of glory. Money is only one means, and *only* a means. The great object is the glory of God and the salvation of souls. Rejoice not because members are added to our church, but rather that God is honored and that immortal souls glorify Him and will glorify Him through eternity. Amen.

The average preacher received \$925.85, an increase of \$160.48, and the average elder \$1,304.81, an increase of \$231.32. This means that the average member paid 67 cents per quarter to the elder provided that nothing was received from outside the church.

IN MEMORIAM

Rev. Kenneth C. Knight was born June 14, 1913, and died January 16, 1942, in Ellwood City, Pennsylvania. In 1935 he married Mildred L. Perkins, to which union was born one daughter. Brother Knight was converted in Ellwood City, united with the church there, and was a faithful Christian to the end. After his call to the ministry several years ago he united with the Pittsburgh Conference and served the Callery and Natrona Heights circuits. He was a servant of God, a loving son, a devoted husband and father. He was a preacher of the everlasting gospel with power and efficiency, and many will rise up to call him blessed. He leaves to mourn their loss, his wife and daughter, his father and mother, and a host of friends and relatives. The funeral service was held in the Free Methodist church in Ellwood City by J. P. Atkinson, with tributes by several others. A number of his brethren in the ministry gathered around the casket and sang "The Christian's Good Night." Interment in Ellwood cemetery.

During the year several prominent laymen have passed on to their reward and one widow of a preacher, Mrs. Mary A. Campbell. A part of the memorial service was devoted to their memories, with short tributes to their faithfulness and Christian character.

MISCELLANEOUS

The North Michigan Conference held its sixty-seventh session at Manton, Michigan, August 4-8, 1942. A fine camp meeting was held in connection with the conference. President LeRoy M. Lowell had charge of the evangelistic services and presented the gospel truth in a very able manner under the anointing of the Holy Spirit. Many times during the camp the altar was filled with seekers.

President Lowell also presided over the conference with splendid ability. His sermons and his addresses to the conference were greatly appreciated. Sister Lowell was a welcome guest at the camp and conference.

The W. M. S. and the Y. P. M. S. held their annual conference meetings on the grounds. Rev. Dale Cryderman was guest speaker for the Y. P. M. S. His ministry was appreciated very much, not only by the young people but all who heard him speak. Rev. Bessie Reid Kresge represented the W. M. S. and preached a wonderful sermon Sunday afternoon. The vivid descriptions of the need of the work in foreign fields inspire us to greater efforts in the fields of evangelism.

As usual the Bible School, which has become one of our main attractions, was a real success under the splendid leadership of Miss Mary McLachlan.

We believe that the fine new boarding hall erected last year added greatly

to the attraction and convenience of the campers. Brother and Sister Baker were with us again, representing the Publishing House. We greatly appreciate their ministry in our camp. They are always welcome.

We are glad to report a small gain in membership. The appointments were quite well received. We return to our fields of labor with renewed courage and faith.

MISCELLANEOUS

The eighty-third annual session of the Illinois Conference was held on the Downers Grove Conference Ground, Downers Grove, Illinois, August 26-30, in connection with the conference camp meeting, which began one week earlier.

In his first official visit to our conference, Bishop Fairbairn won his way into the hearts of the people with his forthright manner and his Spirit-anointed ministry. In the Friday morning sitting the conference was swept with a wave of heavenly glory which did not subside for many minutes. Business resumed, the affairs of the conference moved on with increased speed, like well-oiled machinery.

The camp meeting services were well attended, and many bowed at the altar as Evangelist N. C. Beskin drew in the gospel net night after night. Other camp workers included Rev. B. S. Lamson, who brought messages to youth each afternoon and evening, and Mrs. June Horning Miller, who gave herself in a ministry of child evangelism.

Other features of the twelve-day period included: An eight-day boys' and girls' camp sponsored by the Conference Sunday School Board, Mr. and Mrs. Merrill Perkins giving splendid leadership to the camp; and a one-day Sunday-school convention held on Thursday in connection with the conference, which was both unique and instructive.

The Conference Missions Project was continued for another year, providing substantial aid for pastors' support on a number of circuits. Our conference budget goes into its eighth consecutive year of operation, providing for the general claims as well as the local interests of the conference.

The Board of Administration of the General Conference of the Free Methodist Church of North America convened at the Free Methodist Publishing House, Winona Lake, Indiana, on Wednesday, October 28, 1942, at 2:00 p. m., Bishop William Pearce, president, presiding.

All the members were present except R. T. Fine, E. A. Haslam, F. M. Lucas and P. L. Peoples.

Three sittings of the board were held.

The various commissions reported their work.

A memorial service, in memory of the late Missionary Secretary, Harry F. Johnson, was held.

Rev. Harold H. Winslow, returned missionary from the China field, was elected Missionary Secretary to fill the vacancy caused by the death of Rev. H. F. Johnson.

Greenville, Illinois, was chosen as the place of holding the next General Conference.

The board expressed its appreciation of the work of the Woman's Missionary Society, especially in the fact that it is operating with a very low overhead expense—slightly over two and one-half per cent of receipts.

Bishop L. R. Marston and Ernest Keasling were commended for their excellent work for men in service.

The report of the Publishing Agent regarding the business of the Publishing House was encouraging, and that of the editor of the *Free Methodist* concerning the circulation of the paper showed a splendid increase.

The Executive Commission of the Free Methodist Church meets biannually.

The first meeting of the board was held on June 9, 1942. At this time the publishing agent, B. H. Gaddis, gave the report of the publishing interests for the year, showing that there was a decrease in the amount of the earnings of the Publishing House owing to the war conditions. However, the publishing agent was

congratulated on the showing that was made in view of the economic conditions prevailing.

There were three sittings of the commission at its meeting at the Publishing House, beginning October 27, 1942. All the members of the board were present except J. M. Daniels and R. T. Fine.

The sum of five thousand dollars was transferred from the Conference Claimants' Reserve Fund to the Permanent Fund. The amount of claims allowed for the current year 1942-43 was approximately \$75,000.00.

The Board of Bishops was ordered to make arrangements for the religious and public services of the General Conference, until such time as a committee on public worship could be appointed.

Rev. Rollin E. Cochrane of the Southern California Conference was invited to be the song leader for the General Conference.

Claude A. Watson was invited to deliver the temperance address at the coming session of the General Conference.

The publishing agent was authorized to make such increase in the price of the publications as would meet the increased cost during the emergency, such increase not to exceed ten per cent.

The conference claims for the year 1943-44 were fixed as follows:

†Recognized by the Commission on Christian Education as under auspices of the Free Methodist Church.

The annual session of the Commission on Christian Education was held in the Free Methodist Publishing House, Winona Lake, Indiana, October 26-29, 1942.

Reports were received from the five departments of the commission through the respective executives, from the Association of Schools and Colleges through its officers and in joint sessions, and from the Curriculum Committee through its secretary.

During the year, by action of the Executive Commission on recommendation of the Commission on Christian Education, a new department of the commission was created, the Church Council for Men in Service. The increasing business of the commission made imperative a larger session than heretofore, and the commission convened at 2:00 p. m. on Monday rather than 10:00 a. m. on Tuesday as in previous years.

I. DEPARTMENT OF SUNDAY SCHOOLS

The Sunday schools have closed another year with a very encouraging report. Like all branches of the church work, the Sunday schools were faced with those uncertainties caused by war conditions. Many of our young men have been called to service, and many more will be. This is causing a great shift in the population of the United States, and is sure to make its inroads in the attendance of our Sunday schools. However, the work in general has been very encouraging indeed.

During the past year the Sunday schools of the church, through their Birthday Offerings, have raised \$5,653.99. The Sunday schools of the church feel very proud of their contributions through this channel to the great mission field in our sister continent. Also during the year the Sunday schools have raised \$768.11 for Testaments for the men in service, to be distributed by the American Bible Society. In addition to this, the Sunday schools have contributed \$1,750.37 for our own church Service Men's Council.

The Sunday-school Tithe. Receipts which represent one-fourth of the tithe of the regular Sunday-school offerings for the year ending September 30, 1942, are very gratifying. The income from this source is \$2,620.40. This is a substantial increase over last year and represents the largest tithe income the church has ever received.

The Sunday School Worker continues to fill a definite place of service in the church. While we have been faced with the high cost of labor and material, yet we have endeavored to produce the *Sunday School Worker* at a price that is not exorbitant for this type of magazine. On the whole, the *Sunday School Worker* is enthusiastically received on the field, and it promises to have a still brighter future.

The Christian Youth Crusaders has grown far beyond our expectations for this time in the quadrennium. The church at large is seeing the need of this organization and it is developing along wholesome lines. It has been the aim to steer this organization away from anything that savors of worldliness, and yet at the same time to make the C. Y. C. fill the need in the church for which it was intended. The paramount goal of the C. Y. C. is to bring our boys and girls of the intermediate age into a saving knowledge of Christ as well as to carry them over into the Y. P. M. S., thus holding our youth to Christ and the church.

In spite of the chaotic conditions existing today on account of the war, the Sunday schools are accepting their challenge and serving a more important place in the church than ever before.

II. DEPARTMENT OF SCHOOLS AND COLLEGES

Again, general church co-operation in the observance of Christian Education Sunday increased during the year, yielding well over \$5,000.00 in offerings. The record for the three years of this quadrennium shows a gratifying increase from year to year, as follows:

1940—	\$2,873.11
1941—	3,411.52
1942—	5,361.78

This record is the more significant in view of only \$372.58 contributed to this offering in the closing year of the last quadrennium.

The treasurer's report shows continued improvement in the operating account of this department. Following are the balances for the past four years:

1939, deficit	\$ 2,769.73
1940, balance	2,934.08
1941, balance	4,925.62
1942, balance	10,789.45

From the 1942 balance there will promptly be apportioned to the colleges the following:

\$2,995.75 interest on endowments held for the schools

1,181.85 for student loans

525.00 for college advertising in the *Free Methodist*

1,500.00 on the basis of Free Methodist enrollments in the respective schools

By action of the commission, \$3,000.00 of the 1942 balance is to be invested as a reserve fund with which the commission will in the near future inaugurate a plan for assisting selected candidates to prepare for the ministry.

The financial policy of the commission is to make wise appropriations from its annual balances to worthy projects in Christian education rather than to build an accumulating surplus.

Endowment income and receipts for student loans are earmarked for distribution to the colleges, and the department must look to other sources for funds with which to carry on its varied projects. These sources are chiefly the Christian Education Day offering (on the last Sunday in January), and the portion (eight per cent) of net profits of the Publishing House assigned to this department.

The commission voted to continue, by generous arrangement with the editor, the monthly page in the *Free Methodist* devoted to the interests of our colleges.

The commission further agreed to pay one-half of the advertising of junior colleges in the *Free Methodist*, and one-third of the advertising of the senior colleges therein, the assistance to any one school not to exceed \$75.00.

The commission voted to apply for membership in the National Association of Evangelicals for United Action, appropriating a membership contribution of \$25.00, and agreeing to assist colleges seeking membership in the organization by paying \$10.00 of each school's membership contribution of \$20.00.

In view of the unforeseen national emergency, the commission recommended, and the Board of Administration approved, the suspension of the college visitation plan ordered by the 1939 General Conference, except in cases where visitation can be made conveniently without extensive travel.

The committee ordered the preparation of a roster of students in our colleges who are preparing for the ministry, said roster to serve draft boards in determining eligibility for deferment.

ASSOCIATION OF FREE METHODIST SCHOOLS AND COLLEGES

Major attention was given at the annual meeting of the association this year to the subject of ministerial training. At a joint session with the Commission on Christian Education, a statistical summary of subjects taught in the field of Bible and religion in Free Methodist colleges was presented. The summary indicates that through their departments of Bible, Free Methodist colleges already have an enrollment which is the equivalent of a Bible college of between 300 and 400 students.

A comprehensive and far-reaching plan for the encouragement and direction of ministerial preparation in the Free Methodist Church by the Commission on Christian Education was recommended. Under the proposed plan, the commission would serve as a committee on guidance, which would not only supervise the preparation of candidates for the ministry, but would give financial assistance to such candidates who seek their preparation in colleges of the denomination.

Other recommendations to the commission included a plan for correlating the home study course and the collegiate ministerial course of study on a systematic basis.

Members of the association spent considerable time in a study of war-time adjustments and in the perfecting of plans whereby complete co-operation may be achieved in inter-school relationships.

III. DEPARTMENT OF SERVICE TRAINING

For the first year since its establishment in 1937, the Department of Service Training reported a decrease in credits earned. While fewer training classes were

held, the largest decrease occurred in credits awarded in youth camps.

Washington Conference reported the largest number of credits earned during the past year, with 147. Colorado, California, Kansas, and East Michigan were next in the order named.

The course used most often was 110a, Personal Religious Living. Personal Evangelism, unit 145a, was chosen next most often, with 130a, The Meaning of Church Membership, in third place.

A total of 107 courses were held during 1941-42 in comparison with 163 last year. The total number of students earning first-series credit was 1,025 compared with 2,082 last year.

By arrangement with the Commission on Christian Education and the Publishing House, the Department of Service Training will sponsor a service to pastors in the form of a Book Review Bulletin. Under the plan, new books will be appraised for their value to Free Methodist ministers, and reviews will be carried in a quarterly bulletin, which will be sent free to all who desire it. A discount will be allowed to readers of the bulletin on the purchase of books so reviewed.

THE COMMITTEE ON CURRICULUM

At a short meeting, the Committee on Curriculum took up several items relating to courses of study and the preparation of new material.

Upon the recommendation of the Association of Free Methodist Colleges, the committee considered the revision of the collegiate course of study for ministers. A sub-committee consisting of Dr. O. S. Walters, Bishop William Pearce and Dr. B. L. Olmstead was instructed to prepare recommendations to the Committee on Course of Study of the General Conference.

A sub-committee to prepare material for the articulation of C. Y. C. and Y. P. M. S. was also appointed. Dr. B. H. Pearson, A. L. Brown, C. Dorr Demaray and Dr. O. S. Walters were named. Preparation of leaders' material for Y. P. M. S. officer training was referred to the same committee

IV. CHURCH COUNCIL FOR MEN IN SERVICE

The national emergency, calling an increasing number of our young men into the armed forces, led to the organization during the year of a *Church Council for Men in Service*. The plan of organization was approved by the Executive Commission in early June, and by the middle of July the executive staff had been employed and an office opened in Greenville, Illinois.

Encouraging reports of progress in serving our men in the armed forces were brought by the Executive Secretary. The treasurer's report showed receipts during less than four months of \$9,165.64, this amount having been collected through free-will offerings throughout the church in the United States. A budget of \$15,850.00 to carry the project through its first year to June 30, 1943, was approved.

One of the most notable steps of the commission in extending the program of this department was its provision for sending *Light and Life Evangel* to every man in service, and the *Free Methodist* to every man requesting it.

V. YOUNG PEOPLE'S MISSIONARY SOCIETY

The Young People's Missionary Society, serving under the Commission on Christian Education, again has had its greatest financial year, reaching a total reported income of \$56,292.59 as compared to \$44,797.64 last year. The total for the quadrennium is \$172,280.95, which is \$22,280.95 over the quadrennial goal and brings to date the receipts of the organization to a grand total of \$558,387.83.

The following trends in Y. P. M. S. finance may be seen by comparing 1939, the first year of the quadrennium, with 1942, the quadrennium's last year. In this period the items marked missions, self-denial, thank offering, Penny-a-Day, all of which go for missions, increased by \$16,478.37. The increase in evangelism was from nothing reported in 1939 to \$3,180.25 in 1942. Christian education went from nothing in 1939 to \$4,417.09. The attempt has been made to stress the Y. P. M. S. as a missionary organization and to include in missions the thought of building the church at home and building Free Methodist church members who will be interested in all phases of church finance and church life.

With large numbers entering the army, the membership has remained stationary. However, there are still thousands of high school young people in our Sunday schools who, if won to our Y. P. M. S., would easily carry us beyond our

membership goal of 20,000. Most of these will be lost to the church and the Kingdom unless the Y. P. M. S. wins them. Pastors, Sunday-school teachers, official boards should have a very deep interest in this group. It has been found that if they cannot be won to the Y. P. M. S. it is practically impossible to win them to the church.

The solemn responsibility of these days must be sensed by all youth workers. The task which once was ours from fourteen to thirty years of age must now be done in from fourteen to eighteen years of age, at which time our youth are entering the nation's armed forces. There should be a definite, faith-filled, Holy Ghost, prayed-down revival everywhere among our high school young people. All services, all programs, all activities should be on their level of interest. Let older officers everywhere consult not their own pleasure but the interest, attention and benefit of the fourteen-to-eighteen-year-of-age group. Let us reach down into the younger J. M. S. and C. Y. C. groups and make a bond with them so that we shall not lose these precious youth from which is now being built all that the Free Methodist Church of tomorrow will be.

COMMISSION ON MISSIONS

The Commission on Missions of the General Missionary Board of the Free Methodist Church convened in annual session at the Publishing House, Winona Lake, Indiana, October 24, 1942, the president of the commission, Bishop M. D. Ormston, presiding, Rev. F. L. Baker, recording secretary. Our beloved general secretary, Rev. Harry F. Johnson, deceased, was greatly missed. All members were present except F. M. Lucas, business engagements making it impossible for him to come.

The following visiting missionaries were introduced to the board during the session: Rev. George W. and Mrs. Mills, Dominican Republic; Florence M. Murray, Pearl M. Reid, Pearl D. Schaffer and Rev. Harold H. Winslow, China; Rev. Ford Hendrickson of the Samaritan Missionary Association, Inc., Asuncion, Paraguay, and Rev. Mr. Spencer, Peru, South America; Rev. Clyde J. Burnett, superintendent of our Japanese Missions in the United States; Miss Elizabeth O'Connor, superintendent of Kentucky Mountain Missions; Rev. Reuel E. Walter, representing the Mexican Missions, and Rev. James A. Junker, under appointment to Brazil.

The daily sittings were opened with inspiring devotional periods, led by the different members of the commission.

The commission confirmed the nominations from the fields of executive committees, superintendents and treasurers on each field as presented.

General Missionaries Harriet M. Baker, Carrie T. Burritt, Minnie D. Ormston, Pearl E. Johnson, and Emma L. Hogue gave verbal reports. Lillian B. Griffith sent a written report.

It was voted to observe Men and Missions Day in 1943.

A fitting service to the memory of Rev. James S. Rice, of Edwaleni Industrial Training School, South Africa, and Mrs. Mary L. Coleman, for many years an active member of the Missionary Board, was conducted by Rev. J. B. Cunningham at the fourth sitting.

We had as our guest on October 26 Edward H. Hume, M.D., director of the Christian Medical Council for Overseas Work, and representing the Foreign Missions Conference of North America. Dr. Hume's visit was most helpful and greatly appreciated.

After the reading of the annual report of Miss Ruth N. Foy, general Penny-a-Day director, she was re-elected for the ensuing year.

Furloughs were voted the following missionaries: Margaret M. LaBarre, Wesley C. DeMille and family, and Edna Mae Hoyt, December, 1943; R. H. Collett and family and Ila M. Gunsolus, March, 1943; Frank E. Adamson and family,

July, 1943; W. R. Thompson and family, and Helen O. Abrams, spring of 1943; Nahum E. and Mrs. Perkins, fall of 1943.

It was voted that Rev. George W. and Mrs. Mills may return to the Dominican Republic as soon as arrangements can be made. Mrs. James S. Rice and son John may return to South Africa as soon as the way may open.

The following candidates were accepted and appointed: Miss Ruth Hessler, to the Dominican Republic; Rev. Reuel E. Walter and wife and Miss Mildred Leatherman, to Paraguay, South America. While waiting for entrance into Brazil for missionary service, Rev. James A. Junker will teach in the Nogales, Arizona, Mexican Bible Training School. The commission expressed the hope that arrangements might be made for Rev. Rolland N. Davis to return to India soon, as his services are greatly needed there at this time.

The following-named missionaries were continued on furlough with salary: F. Grace Allen, A. M. and Mrs. Anderson, S. D. and Mrs. Casberg, Frank J. and Mrs. Kline, Ida M. Menter, Florence M. Murray, Pearl M. Reid, Frances E. Schlosser, and Mae P. Armstrong, the latter under appointment to Africa when arrangements can be made for her return.

Missionaries continued on furlough without salary from the board were: Mary S. Backenstoe, Nellie A. Reed, Melvin A. Casberg, M.D., and family, Lois E. Kent, M. D., Elmer S. Root and family, John D. Green, M. D., and family, Bessie Reid Kresge, Mattie J. Peterson, Pearl D. Schaffer, Mary O. Schlosser, E. L. and Mrs. Silva, Lillian O. Pickens, and Frances Hart.

It was voted to observe April 11-18, 1943 as a Week of Self-Denial for Missions. Delegates to represent the W. M. S. and the Commission on Missions at the Foreign Missions Conference convening at Cleveland, Ohio, December 7-10 of this year, are: Ella Maze Daniels, Helen I. Root, Rev. Harold H. Winslow, and Rev. J. B. Cunningham.

Because of the overcrowded conditions at the Nogales, Arizona, Bible School, the commission voted to purchase another very desirable property and buildings, thus enlarging the school facilities. The Executive Committee of the W. M. S. made a donation of \$1,000 from their Contingent Fund toward this purchase.

The Commission on Missions voted to purchase mission property in Asuncion, Paraguay, South America, from Rev. Ford Hendrickson, as the beginning of our missionary work in South America.

The Commission on Missions was enabled to appropriate for the annual budget \$150,211.00, which represents a substantial increase over the preceding year.

REPORT OF THE PRESIDENT OF THE COMMISSION ON MISSIONS

This annual report, which has usually been presented by the missionary secretary, must be prepared this year by others. Consequently the first thought which comes to mind in its preparation is the great loss which the church and the missionary cause have suffered in the passing of Rev. H. F. Johnson, who for the past ten years has directed with increasing efficiency the missionary program of the church.

Little did we realize one year ago that he would finish his great work so soon. The human view would be that it was a tragic loss, especially in the light of the present world conditions; but when we remember that this is the Lord's work, and not our own, and that He guards it with a loving and careful eye, we bow in submission to His will who "buries His workmen, but carries on His work." Still the loss of our Brother Johnson is very keenly sensed as we come together at this time in annual meeting of the Commission on Missions and lay plans for the continuance of the work committed to us.

The present world upheaval which has disrupted the way of life in every nation of earth is having its effect on the whole missionary enterprise. The uncertainty of future developments makes our task more difficult in planning the welfare of our mission fields for the days that lie ahead.

We are glad to report a good year in the financial receipts. Contrary to the idea of some, that since transportation is unsafe and missionaries are not being sent out therefore the financial demands are lessened, we are faced with demands for funds which have not been made before. The transmitting of money to the fields is increasingly difficult, the only safe way being to do it through the cable facilities of the banks in Chicago and Toronto. Even then, there has been long delay in some cases before the funds were available to the missionaries at the banks where their business is transacted, sometimes causing considerable incon-

venience. The increased cost of this transmitting of funds, plus the greatly increased exchange in some fields, mounts surprisingly.

Another evidence of the need of funds is the increasing cost of living on the fields. Letters will be found in the files asking for increased salary allowances to meet these rising costs. It is the same there as it is here in this respect.

Again, while the missionaries cannot return to the homeland to take the much-needed furloughs which are due, they must have rest for the very preservation of their life and health. These furloughs are being taken in various instances on the continent where they serve, and the cost runs high. Then there is the expense of repair for the damage done by the cyclone to the buildings of the Edwaleni Training School in the South Africa Conference.

One of the outstanding needs of the work is for more workers. The missionaries on nearly every field are carrying loads that are far too heavy for them. Their furloughs overdue, they are laboring without complaint, but seeing the opportunities for spreading the gospel and sensing the need of recruits, they call for helpers for every field. Consideration must be given to the selection and appointment of recruits for these fields, to be sent out as soon as conditions make it possible.

Regarding the statistics from the field, we are not able to set forth complete reports. All of these fields heard from indicate a substantial gain except one.

We sustained a great loss in our missionary personnel when our Brother James S. Rice was taken by death. For twenty-nine years he superintended the Industrial School at Edwaleni, and was preparing himself for further service on the field when suddenly taken to his reward. One of our tasks will be to find a capable successor and to get him to Africa as soon as possible, to relieve Dr. Lowell Rice, who is trying to direct the work of the school, supervise the repairing of the buildings damaged by the storm, and care for an ever-increasing medical practice, tasks which combined are far too heavy and should have the attention of at least three men.

Then there is the return of the Casberg party, who were advised by the authorities to leave India because of the developing war situation. We are glad for their safe arrival in the face of present dangers of travel. Surely strange providences have shadowed their too-brief period of service; yet we rejoice over the strong influence for good their lives and service have made on the people of India, and pray the day may swiftly come when Dr. and Mrs. Casberg shall be permitted to take up the work from which they have been removed.

The work in western China is progressing, and reports indicate that Brother James Taylor and wife, Brother and Sister Ashcraft, Brother Stanley Ryding and Miss Edith Frances Jones are carrying on heroically, the people being receptive to the gospel message. We are grateful for the safe arrival in the homeland of the Misses Murray and Peterson, after their experiences under guard in occupied China, and we are prayerfully awaiting word from the Misses Leininger and Sayre, who are enduring like experiences at the present. A report received through the Red Cross in the summer informed us that Miss Ruth Mylander, in Osaka, Japan, is in health.

Rev. B. H. Pearson, general superintendent of the Y. P. M. S., visited the Dominican Republic in April on request from that field. All reports indicate the growth of the work and the open doors for further progress. More missionaries are needed there as on our other fields.

The plans to open work in Brazil as made last year have been hindered thus far, due to the war situation, but an opportunity has come to acquire desirable property and an already-established mission work in Paraguay, which has been before the Board of Directors, and will be open for further consideration during this session of the full commission. This seems the only open door for us to enter in South America at this time, and available candidates are ready for appointment, with funds on hand with which to proceed.

The Mexican Provisional Conference reports a gain in membership for the year, and this work is generally prosperous. The change of management from a superintendent to a "Board of Administration" seems to be working satisfactorily. The outstanding needs of this work seem to be a home for the principal of the Nogales Bible School, Nogales, Arizona, a dormitory for the boys, and living quarter for Brother Cisneros on the Mexican side of Nogales.

The Pearl Harbor incident has disrupted the work of the Pacific Coast Japanese Conference, the people having been moved to inland camps, greatly increas-

ing the work of Rev. C. J. Burnett, the superintendent, and demanding many adjustments to the new situation.

Missionaries who have been welcomed home on furlough, in addition to those already mentioned, include Frank J. Kline and wife, and Dr. Lois E. Kent from India, and George W. Mills and wife from the Dominican Republic. The Misses Nellie Whiffen and Rachel Smiley returned to their work in the West Indies last December.

May the God of all wisdom and grace guide us as we go forward with the task committed to us, and may He direct the church in the choice of one to succeed in the office made vacant by the promotion of our friend and brother, Harry F. Johnson.

M. D. ORMSTON.

REPORT OF F. L. BAKER, FIELD SECRETARY

Realizing as never before our dependence on the Lord and His tender mercy, we would submit the following report:

As promised health and strength have been given for our task, we have held an average of four services per week during the year in the various conferences, supplied several quarterly meetings in connection with the missionary meetings, held four ten-day revival meetings, one six-day meeting, and one camp meeting. We attended seven annual conferences, but traveled fewer miles the past year than any for many years—a little over 15,200 compared with over 20,000 to nearly 40,000 in past years. My wife has been permitted to be with me the greater part of the year. Our welcome and entertainment in all the conferences by our brethren and friends have been most cordial.

The Lord has graciously answered prayer in special ways during the year in sending in funds needed towards helping to rebuild the Edwaleni School and for the support of more native workers as we have prayed and trusted, making the need known only to Him. We have secured a few hundred recruits for our "Missionary Reserve Army." We have been made to rejoice more over a goodly number earnestly seeking God for pardon and purity, and claiming the same, than in all our work.

The sudden departure of our beloved Brother Johnson for the better world was a very heavy stroke, and it was hard to realize he was gone, with whom we had had so many heart-to-heart talks, and gracious times together in prayer and supplication with tears of joy and burden.

All funds raised in public meetings with few exceptions have been credited to the Woman's Missionary and Young People's Missionary societies, as were funds secured personally in the support of native workers, sent monthly through the General Woman's Missionary Society treasurer, as are the funds which go through B. H. Gaddis.

The funds raised in the meetings held, by private solicitation, and correspondence are as follows: Cash, \$6,441.52; subscriptions, \$7,104.98, payable during the year, not including pledges secured for the support of many native workers; for the support of native workers in cash, \$7,623.31; on the annuity plan, \$3,500.00; received for assisting in revival meetings, handed me personally, and books sold, given mostly by Rev. E. E. Shelhamer, \$705.62. From the last sum mentioned I have paid nearly all traveling expenses, postage, etc., amounting to \$455.62, and the remaining \$250.00 was sent to the general treasurer, B. H. Gaddis, with detailed account of expense. Total of all monies raised during the year, \$25,375.43.

Respectfully submitted, F. L. BAKER.

REPORT OF THE CORRESPONDING SECRETARY

The Executive Committee of the General Woman's Missionary Society of the Free Methodist Church met in their rooms at the Free Methodist Publishing House, Winona Lake, Indiana, October 21-23, 1942. All members were present. 1941-42 was a "Forward Move" year.

GAINS

During the quadrennium 1931-35 the membership gain was 15. Then the campaigns began. In 1935-39, when the Four-Year Advance Program kept us moving together for the same things, at the same time we made a gain of 2,818 members. The last eight years, 5,626 active and honorary. During 1941-42, thirty-two out of forty-two conferences made substantial gains.

AWARDS

Texas won first place in Membership Awards, \$5.00. She was in the group of those conferences having a membership up to 400. Colorado won second place. In the second group, 400 to 800 membership, New York won \$5.00 award and Central Illinois moved into the third group. In the third group, those having a membership of over 800, Wabash won the \$5.00 award, with East Michigan second.

MORE GAINS

We're growing. Horizons widening; fifty-seven more locals are using the study books. The Mexicans studied thirty-one books, since they cannot use ours. Almost 12,000 took advantage of the lowered summer rates, with a gain of 1,000 new subscribers to the *Tidings*. 12 years ago the subscription list was 2,300; now it is over 15,000—almost one hundred per cent of the active membership. There are forty more locals, 143 more stewardship meetings, more institutes, contests and tithers, 344 new signers to stewardship pledges, more prayer circles and partners, more definite evangelistic effort. The president, Mrs. Daniels, traveled 10,000 miles with her husband on a "Good Will Tour" among the conferences.

The Committee on Publications reported "Our Neighbors, the Dominicans," was paid for in full by the literature department, \$600.00 having been paid for 2,000 copies.

The literature agent, Miss Eula Mudd, rejoiced in an increase of \$713.00 sales, with over \$654.00 profit, the latter due to the new study book and sales at camp meetings.

The treasurer, Mrs. Lillian T. Beeson, reported a net gain of \$21,951.73—almost a twenty-two per cent gain. Ten dollars was allowed for promotion of World Day of Prayer. Fifteen dollars was allowed the corresponding secretary for membership awards.

One thousand dollars of Contingent Fund was given toward the rebuilding of the Edwaleni Training School, which was partially destroyed by cyclone. One thousand dollars from the same fund was given toward the purchase of a principal's home and school dormitory at Nogales, Arizona.

JUNIOR ADVANCE

The editor of the *Missionary Tidings* was authorized to issue a supplement to the *Tidings* called the *Junior Tidings*, in the interest of the Junior Missionary Society. A committee of three, called the Junior Tidings Committee, was appointed, consisting of the editor of the *Tidings*, the corresponding secretary, and the Junior superintendent. There are 150 standard Junior Societies; a marked increase in conversions; many joining the church and going into the Y. P. M. S. Iowa leads in number of reading and study diplomas—30. Thus a war year ends in strong advancement.
